  - Survey was sent out in the agenda and is posted on the forums

### **Review approved CHIP documents**

- Review the dashboard within the breakout teams

### **Action Teams Breakout (Recap)**

#### Healthcare

- Need to focus on healthcare's view on Mental Health First Aid
- Looking for gaps in services and locations
- What's been done?
- Who has imbedded Social Workers?
- Identify age ranges for youth
- Prescription drug programs/take backs
- Needing to get baseline data

#### Education/Trainings

- Lots of goals/objectives
- Establishing baselines for different areas
- Learning about contributing agencies
- What happens if funding is lost?
- Can other funding be found if lost?
- What do we do, where can we serve?
- Put together a spreadsheet on Google Doc & post on website forum
  - First tab – resource list

- Schools have so many programs reaching out, but how do they know what the good ones are?
- School mandates list
- Be the hub for real/quality education

#### Criminal Justice/Harm Reduction

- Collecting data
- Getting a baseline for those suffering from homelessness
- Overlaps of Mental Health/ Substance use and homelessness
- Causes of homelessness
